

Hi there!

Hope you're well! It's Danielle Watling, I am currently one of the Casting Producers here at The Amazing Race Canada.

Casting is now open for Season Eight of The Amazing Race Canada and we always love seeing applications from Firefighters! I was wondering if it might be possible to share our casting call to see if there is any interest in applying for this season?

We are looking for competitive teams who will push limits to win it all!

For seven summers we have seen incredible racers conquering their fears, pushing themselves to the limit and beyond, proving to themselves and the rest of the country that they can do anything! We are looking for teams of two each with a pre-existing relationship. This season we are looking for teams with strength, perseverance and competitiveness that will inspire fellow Canadians.
